# Kōwhai Group

*Bereavement care for our family/whānau  
in our community.*

Lake Taupō Hospice cares for patients within greater Lake Taupō District including both Taupō and Turangi townships.

We are members of the national organisation of Hospice New Zealand and our philosophy of *'Living Every Moment'* is reflected in all the services we offer. "We care about quality of life, comfort at the end of life, as well as helping those loved ones left behind."

All Lake Taupō Hospice services are free. The Lake Taupō Hospice Bereavement Team is available to provide ongoing support to families/whānau whose loved one received Hospice care. Bereavement support from our team may come in the form of:

- Phone calls
- Zoom meetings
- Home visits
- Visits to Izard Hospice House
- Individual or family counselling
- Kowhai Support Group – informal coffee and chat (meets monthly throughout the year).
- Annual Remembrance Service
- Family/whānau/caregiver feedback form

We are here to support and encourage you.
